

Faculty in Mathematics
Lee University, Cleveland, TN

Position Description:

The Department of Natural Sciences and Mathematics at Lee University seeks a one-year visiting Mathematics faculty member. The person must have a minimum of a master's in either mathematics or mathematics education, Ph.D. preferred. Experience in college-level teaching and expertise in statistics is preferred but not required. We anticipate searches in the next academic year for several replacement full-time tenure and lecturer track positions. It is anticipated that any visiting faculty member would be eligible to seek future posted positions. Women and minorities are strongly encouraged to apply. The visiting position will be for the 2016-2017 academic year.

Duties will include teaching a majority of courses in our core mathematics including remedial, contemporary math, and statistics. Other services would include advising students; university and community service; reporting to Department Chair and working cooperatively with departmental faculty in complementing current departmental strengths.

Required qualifications include Christian commitment and Community Covenant lifestyle agreement; masters or doctorate in appropriate field; demonstrated college teaching ability; ability to integrate Christian faith into course content.

To help us evaluate your potential role as a member of our university, please include a completed application form, CV, statement of Christian faith regarding your religious conversion and your Christian commitment, and statement concerning how you will integrate faith into your subject matter. Submit the above information, along with all transcripts, three letters of reference and student evaluations (if applicable), to Dr. Paul DeLaLuz, Chairperson, Department of Natural Sciences and Mathematics, Lee University, 1120 North Ocoee Street, Cleveland, TN 37311. An application is available at: <http://www.leeuniversity.edu/uploadedFiles/Content/human-resources/faculty-application%281%29.pdf>
