3rd ACMS Conference Proceedings
Table of Contents

Wheaton College (1981)

PREFACE, page 1

MAIN ADDRESSES

- "Science as Allegory", p.3
  Vern Poythress
- Response, p.25
  Paul deVries
- "Mathematics as Rhyme", p.29
  Vern Poythress
- Response, p.43
  Paul Zwier

OTHER PAPERS

- "Mathematics: Freedom Within Bounds", p.47
  Harold Heie
- "An Integration of Integrations of Christianity and Mathematics"
  - A Response to Harold Heie, p.79
  Gene Chase
- "Random Variables and a Sovereign God", p.91
  Lloyd Montzingo
- "Reality and Imagination in Mathematics and Religion", p.99
  David Neuhouser

DISCUSSION GROUP SUMMARIES

- "Theology and the Philosophy of Mathematics", p.113
  Russell Benson
- "Communicating Spiritual Insights in Mathematics Classes",
  p.119
  Verbal Snook
- "Teaching Mathematics Distinctively", p.123
  Paul Zwier

- "Probabilistic Ways of Thinking", p.133
  Garnet Hauger
- "Some Contributions of Stanley Jaki to an Understanding of Mathematics", p.139
  Paul deVries
- "Introduction to Computer Science", p.145
  Millard Niver
- "Microcomputers in Mathematics and Science Courses", p.149
  Carlos Pereira
- "The Development of Algebraic Structures During the Nineteenth Century", p.153
  Richard Stout

BIBLIOGRAPHY OF CHRISTIANITY AND MATHEMATICS, p.159

DIRECTORY OF NAMES, p.171
